(Image credit: Alamy) The Notebook detailsRelease date: June 25, 2004 Cast: Ryan Gosling, Rachel McAdams, James Garner, Gena Rowlands, James Marsden, Kevin Connolly, Sam Shepard, Joan Allen Director: Nick Cassavetes Rating: PG-13 Run time: 124 min Valentine's Day is coming up, making it the perfect time to watch The Notebook online and on streaming. The sweeping romantic drama centers on the first love that blooms for a young couple played by Ryan Gosling and Rachel McAdams. The Notebook is considered one of the most romantic movies of all time. In fact, it's so romantic that Gosling and McAdams actually fell in love on set and dated for several years! The movie toggles between two time periods. In the present day, an elderly gentleman named Duke (James Garner) recounts the story of the young couple to a fellow nursing home resident (Gena Rowlands). In the '40s, Noah Calhoun (Gosling) is a poor lumber mill worker who falls instantly for heiress Allie Hamilton (McAdams). However, Allie's parents forbid the relationship due to the difference in social class. They break up and part ways, with Noah enlisting to fight in World War II and Allie attending college and volunteering as a nurse. Through that work, she meets a wounded soldier, Lon Hammond Jr. (James Marsden), who also happens to be a lawyer and from old money, and they become engaged. But Allie has never forgotten Noah and he's pined for her all this time, too. Here's everything you need to know about how to watch The Notebook online and on streaming.
